

(Board's letter no. 2015/EnHM/06/06 dt. 3.2.2016)

List of works/activities that can be taken up under CSR

1. Environment sustainability works-

- (i) Water conservation works i.e. Rain Water Harvesting, Water recycling plant etc.
- (ii) Sewage treatment plant and Effluent Treatment plant (excludes ETPs in Production Units/Workshops, which have to be provided as part of mandatory requirements).
- (iii) Solid waste management solutions e.g. waste to compost, waste to energy plants etc.
- (iv) Eco-friendly faecal treatment/disposal arrangements.
- (v) Solar energy plants including PV modules for off-grid applications e.g. for hospitals, stations, office building, colonies, LC gates, signaling equipments etc. It includes supply of standalone solar lighting system.
- (vi) Energy efficient fixtures and equipment. It includes supply on standalone basis.
- (vii) Wind energy plants
- (viii) Afforestation including development of green areas
- (ix) Use of Green Building features in built up space to be constructed/renovated etc.
- (x) Water efficient fixtures.
- (xi) Protection and/or improvement of water bodies in railway land which helps in recharging the aquifer.
- (xii) Measures for natural air-conditioning of the building including geo-thermal cooling/heating.

2. Sanitation and cleanliness of the station-

- (i) Construction/renovation of toilets with or without O&M.
- (ii) End to End sanitation/cleanliness of station premises.
- (iii) Supply of sanitation enabling products vis. Dustbins, Waste transport trolley, cleaning machines etc.
- (iv) Infrastructure for faecal and waste disposal & treatment.

P. Singh

- (v) Cleanliness awareness campaigns & actions through innovative communication strategies.

3. Passenger Amenities at station-

- (i) Drinking water facilities including water coolers. It includes supply of RO plants & other filtration arrangements. (RO filtration method to be used only where technically other filtration arrangements are not workable)
- (ii) Barrier free access for physically challenged persons viz. Lift, Escalators, FOBs (ramp type), Battery operated cars etc.

Note- The supplied items should be as per approved specifications. Such supplied facilities may be utilised/operated by railways or operated by Sponsoring Entity wherever permitted.
